#### ROLL OVER CANCER Month Another HUGE Success!!

The Louisville Community once again went above and beyond for our ROLL OVER CANCER month. LES and North Nim combined together to raise money by doing dress up theme days and a "Change the World" competition along with a skate night that was once again a huge success and helped generate a total of over \$8,300 to donate to St. Jude Children's Hospital. This brings our total to over \$68,000 since 2007!!! Thank you to the Administration, the Staff, teacher Matt Benson, Troy Davis and the LHS CHAMPS organization, Mark Adams and the LES Student Council, Coach Farrah, the North Canton Skate and Entertainment Center and ALL who donated! It is such a great reminder that even in tough times, a community can come together to educate our kids about the difficulties some people in the world may face and how little things may help to make a difference.

#### ALL STAR EVENT! Come see your teachers in action!

Be an ALLSTAR for the Louisville Community Cupboard!

The ALLSTARS Staff/Student Challenge will take place on Wednesday, March 22nd at 6:30 pm in the High School gymnasium. Each grade level at the high school has elected a team of 6 females and 6 males to represent and compete for their class. They will be competing against each other as well as a High School faculty team and a second faculty team of YOUR elementary teachers from both North Nim and LES!! All will compete against each other in relay games, an obstacle course, dodgeball and a tug of war to find out "Who are Louisville's ALLSTARS"?

This event is a fundraiser for the Louisville Community Cupboard. The Entrance Fee is \$2 or 2 canned goods. All food items and monetary donations from the evening will go to the Louisville Community Cupboard. The team that brings in the most cans will earn extra points for their team. So, be an ALLSTAR for the Community Cupboard—support this worthwhile cause and enjoy an evening of entertainment and laughs.
