### Grade 3 – Blanket Night

On Thursday, January 19, at 6:30 p.m., we are having a grade 3 family night where we will make the No Sew Fleece Blankets. All blankets made will go to a local shelter to be given to children that are in a crisis situation. Please come out and join us this evening for a very special project.

## Spirit of Giving & Fill the Bucket Weeks at LES

Our Word of the month for the month of December is CARING. We have truly shown what that word means this holiday season. Thank you for helping us reach our goals. As an entire building we were able to collect 7 boxes of toys for our United States Marine Corp Local Toys for Tots Program and we are on target to bring in over 950 non-perishable items for our very own Louisville Community Cupboard. We truly appreciate your love and care for this wonderful community. On behalf of the entire staff here at LES, we would like to wish all families a Merry Christmas!

**On Friday, December 16th**, students and staff can wear their Leopard colors of Blue and White to show how we are all part of such a caring community or wear their Christmas colors of Red and Green as we "Celebrate the wonderful Christmas season of Giving!"

WE WISH YOU A  
**MERRY  
CHRISTMAS**

**HAPPY NEW YEAR**

## Interest Based Classes for Adults - Winter

As part of our District vision, we want to keep our community engaged and involved in our schools. The Louisville Community Academy is our way of providing the school community connection. Two times a year, we offer interest based classes for adults, parent/child workshops, and parent cafes. There are still spots available! To register, go to [louisvillecityschools.org/community/lca](https://louisvillecityschools.org/community/lca)

## Toys from Home

Students are discouraged from bringing toys and electronics from home to school, because we do not want to see their items being lost or broken. If a child does bring something from home with them to school, they are bringing items at their own risk. The school staff is not held responsible for items students are bringing from home.

## School Delays and Closings

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. **Delays and closings will almost always be announced by 6:30 AM. If there is no announcement to cancel or delay school by 6:30 AM, you may safely assume that school will be in session.**

Parents will be notified by the Blackboard Connect Telephone Notification System in the event school is delayed or canceled. The "Blackboard Connect" phone call and parent notification may take several minutes to reach your home if there are a number of area school delays or closings.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. **There will be no AM pre-school** when school is delayed for two hours, and no breakfast will be served in any of the school cafeterias.

A **two hour delay** simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will "pick-up" students two hours later than the normal pick-up times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.

### The following will have school delays and closings:

#### Television Stations:

**Channels 3, 5, 8, and 19**

#### Radio Stations:

**WHBC (AM 1480, FM 94.1)**
